OPNAVNOTE 3111  
Ser N09B16/4U681901  
October 12, 2004

OPNAV NOTICE 3111

From: Chief of Naval Operations

Subj: REDESIGNATION OF RESERVE NAVAL COASTAL WARFARE SQUADRONS  
AND SUBORDINATE UNITS TO ACTIVE NAVY STATUS

Ref: (a) OPNAVINST 3111.14V  
(b) SNDL (OPNAVNOTE 5400 of 18 Jun 03)

1. Purpose. To approve redesignation of Naval Coastal Warfare Squadrons 28 and 31, Mobile Inshore Undersea Warfare Units 104, 108, 201, and 208 and Inshore Boat Units 12 and 26, all under the administrative command of the Chief of Naval Operations.

2. Background. Reserve NCW forces are front-line units in the Global War on Terror and have been used extensively since the attack on the USS Cole. Employment of these units has continued at high levels since the terrorist attacks on the World Trade Center and the Pentagon in September 2001. Lessons learned from Operations Enduring Freedom (OEF) and Iraqi Freedom (OIF) highlighted the need for an active component NCW capability. In response to these lessons learned CNO has approved the stand up of an active component NCW capability.

3. Organizational Changes. Effective 1 October 2004, redesignate the following units from Naval Reserve to Active Duty Navy and change their name and geographic location. The following applies:
